

The Budget Workshop Meeting of October 23, 2021 was called to order by Chairman Howard Fry, Supervisor Lori Douglass and Supervisor Daniel Roupp were in attendance. No residents attended the workshop.

The Supervisors discussed future equipment purchases and thought there were none needed at this time to put in the budget for 2022. Discussed the budget for the American Rescue Funds and decided to budget monies for the Volunteer Fire Companies again, a contribution to the Cogan House Community Food Bank and some employee bonuses for working during the pandemic in 2020. The Fire Levy Budget remains approximately the same since all of it is divided between the fire companies.

Vey few changes were made to the General Budget. Took into consideration of making a conference room out of the old library room with furniture and electronic equipment.

After preparing the budget for 2020 meeting was adjourned at 1:00 PM.
